Calgary International
Learning Centre

Come! Study English!

Our Purpose:

To provide a variety of opportunities to improve English communications, understand local Canadian culture, develop important workplace skills, and build friendships.

Our Focus:

Each class has a unique set of outcomes based on:

- 1) the focus of the class
- 2) the needs of the students
- 3) the English levels of the students

The teachers and volunteers involved in our classes and workshops share these aims:

- To maintain a welcoming atmosphere
- To encourage dialogue and expression
- To help students to develop skills that will help them find work, make friends, or continue their studies
