Challenges for Prayer

The country finds itself in the midst of moral and social collapse. Powerful South American drug cartels, using Jamaica as a transshipment point for cocaine destined for the USA, wield great influence. This fuels violence, putting Jamaica fourth globally for murders per capita. Rape and domestic abuse are widespread. As part of an anti-corruption drive, the government has invited greater participation from churches. Pray that government and church leaders may reject compromise. Pray for courage, moral integrity and determination to turn the country back to God. The National Leadership Prayer Breakfast brings church leaders together with leaders in politics, business and the security forces to address and pray for these issues.
